Ouverture fin 1992

En arrivant au Royal Cliff Beach Resort le client est immédiatement accueilli dans un panorama de fleurs tropicales luxuriantes, d'arbres et d'arbrisseaux. L'avenue "Royal Cliff" serpente le long du Royal Wing et du Royal Cliff (bâtiment principal) et dessine une grande courbe à travers les pelouses et fontaines, vers le ROYAL CLIFF GRAND donnant sur la baie et îles avoisinantes.

Je ROYAL CLIFF GRAND témoigne du style architectural mondialement connu du Royal Cliff Beach Resort. Le lieu entier, incluant l'élégant "Crystal Bar" et le "Lobby Promenade Bar" est tourné vers la baie. Au dessous de la réception, le "Grand Cafe" et sa terrasse, la brasserie dominant la piscine et la mer, servent pendant 24 heures une cuisine aussi bien thaie qu'internationale. Le restaurant de spécialités italiennes est adjacent. A l'étage inférieur se trouve le restaurant chinois, où une centaine de personnes peuvent

Le "Orchid Hall"

The Royal Wing was created in 1986 to offer the ultimate in privacy and luxurious living.

All the accommodation is in suites – there are 84 Executive Suites and 2 Presidential Suites with their own outdoor salas.

A spectacular glass lift takes guests down from the cliff top to the private world of The Royal Wing. The superb free-form swimming pool is for Royal Wing guests only, and it has two jacuzzi spas and an idyllic island restaurant, La Ronde, (centre picture) which is the venue for Romantic Dinners.

The elegant Benjarong Restaurant of the Royal Wing can be seen below.

Sports and Fun

Bangprah Golf Course

The East Coast of Thailand is now a popular year-round destination for golfers.

There are four 18-hole golf courses within easy reach of the resort and a 3-hole practice course has recently been laid in our grounds. Golf lessons can be arranged and equipment hired.

The Royal Wing Shopping Village in the resort has a good range of shops selling exquisite jewellery, Thai handicrafts, crocodile and snakeskin items, as well as ready-made or made-to-measure clothing in Thai silk or cotton.

Royal Wing Shopping Village

The resort has 6 hard tennis courts and two 'knock ball' courts, which are floodlit at night. There is a full-time tennis coach and equipment can be hired.

The new Cliff Club next to the tennis complex has two freshwater swimming pools complete with jacuzzis, as well as an exercise room, saunas and steambath.

The landscaped gardens have many charming vistas of unusual and exotic plants to give visual delight and the fragrance of night flowers can make an evening stroll quite magical.

THE ROYAL CLIFF BBQ

Holidaymakers love barbeques, and they will also enjoy the chance of seeing the venues at The Royal Cliff.

Barbeques are held in the atmospheric open-sided Thai Market Restaurant, with its huge cane chairs and cooling fans, or around the swimming pool.

A choice of succulent barbeque food includes: Charcoal-grilled steaks, chicken, chops and sausages. Whole beef or pork legs, or suckling pig. Prawn, fish or squid skewers. All accompanied by delicious dressings and sauces, baked potatoes, corn-on-the-cob and a huge salad buffet.

A dessert buffet follows, with a choice of popular puddings and tropical fruits.

Guests help themselves to as much as they like. Music for dancing, or other entertainments can be provided.

FLOWER SHOWERS

A welcome by elephants bearing the company name or logo can make a terrific and memorable impact!

The Royal Cliff can arrange for two types of Elephant Welcome.

THE ROYAL WELCOME

A twenty-five metre carpet is laid out in front of the hotel to welcome guests with a guard of honour consisting of four Thai boys in traditional dress holding royal umbrellas over four Thai girls, also in traditional dress. At the end of the carpet there are two elephants, each carrying a girl in Thai-orchid purple, who is also shaded by an umbrella, and carrying baskets of fresh flower heads which will be sprinkled over the arriving guests.

THE ELEPHANT WELCOME

The same as the above, without the carpet and guard of honour.

THE SEAFOOD BUFFET AT THE SEAFOOD MARKET RESTAURANT

A buffet of the famous fresh Pattaya seafood, served in the delightful atmosphere of the opensided Seafood Market Restaurant, will certainly appeal to discerning groups.

Almost unaffordable in so many parts of the world these days, seafood has become a much-prized delicacy, and the gastronomic highlight of holidays by the sea.

The buffet will consist of a choice of different types of fish and seafood, hot and cold, and in both plain and exotic speciality dishes. Rice, baked potatoes, sauces and salads will accompany the buffet.

A dessert buffet will follow, with tropical fruits and a choice of sweets and puddings.

Music for dancing, or other entertainments can be provided.

THE SWISS BAVARIAN BUFFET DINNER

The Swiss Bavarian Buffets, served either by the main pool, or in the night-club intimacy of the Supper Club, will be greatly appreciated by holidaymakers who really enjoy high quality genuine European food and a relaxed casual atmosphere. The buffet is in three parts. First the succulent cold cuts which include genuine raw ham, air-dried beef and smooth meat pates (Also traditional appetisers such as the lentil and bacon salad, as well as fish terrines in aspic.) There is a full selection of German and Swiss breads and pretzels.

The main course buffet includes tender beef casseroles, veal in cream sauce and a variety of German sausages and delicious hams, smoked pork and sauerkraut. The dessert buffet has many Swiss and Bavarian speciality cakes and puddings.

THE THAI MARKET RESTAURANT

This spacious. open-sided restaurant has a real market ambience with stepped terraces which can be booked in separate sections to suit the size of the group - areas called Bangrak, Rayong, Naklua and Pratunam - after the famous Thai markets. This venue provides an ideal opportunity for holidaymakers to try genuine Thai market food with a guarantee of cleanliness. A full Thai Food

Market is served buffet style from the little wooden food stalls with carved canopies. As in a real market there are entertaining diversions such as demonstrations of fruit carving, umbrella painting, garland making and other Thai crafts. Ample room for dancing.

TUNCHEONS/SALADS AND COLD CUT BUFFET

Lunch served in any of the venues of The Royal Cliff Beach Resort is an ideal focal point for daytime tours.

Guests can help themselves to a variety of cold cuts and salads, as well as a choice of fruits and desserts.

Many holidaymakers will greatly welcome the chance to wander around the delightful gardens of the resort, to browse in the elegant shops of the Royal Wing Shopping Village and to explore the shopping arcades of The Royal Cliff.

Welcoming flower garlands or suitable souvenir 'give-aways' and entertainment can be provided.

ROMANTIC DINNERS

The idyllic island restaurant "La Ronde," set in the free-form swimming pool of the luxurious Royal Wing, is the sublime setting for truly Romantic Dinners.

Superbly balanced menus of seven exquisite courses, many of which are the Chef's own creation, are served with real style and elegance.

Waiters wear pink or white tail-coat suits with bow ties, and the tables are set with a profusion of flowers and candles.

ORCHID NIGHTS

The exotic beauty of Thai orchids is used as the theme for the very special Orchid Nights. These are truly 'Grand Affairs' with elaborate set dinners or buffets, which can take place in the full splendour of the Ballroom, the intimacy of the Supper Club, or the romantic setting of La Ronde.

Many varieties, sizes and colours of orchid plants and fabulous arrangements of cut orchids transform these venues to create an ambience of lush tropical jungles or botanical gardens.

Orchids decorate the dining tables, 'tree' arrangements are hung with orchid plants and guests are given orchids to wear.

The sheer luxury of dining among such a profusion of natural beauty will thrill all flower-loving guests.

A FTERNOON TEA BUFFETS

Tea buffets can be served in a choice of venues at the resort, and they are ideal as a focal point for a daytime tour, as well as being particularly suitable for groups with a late departure to the airport. A duty-free shop is also available in the resort for departing groups.
